

CYBERFIRST TRAILBLAZERS VIRTUAL COURSE

A free online course for students who wish to start their CyberFirst journey. This online course is open to any student starting Year 8, S2 in Scotland, or Year 9 in Northern Ireland in the 2020/21 academic year. Places are limited so don't delay and sign up fast. Please note: To apply for one of these courses, you will need to be on half-term for the full duration of the course and be able to attend on both half-days.

This event includes the following:

- Go Create – Learn the basics of how to customise a website and generate enthusiasm to contribute to the World Wide Web.
- Digital Detective – Use digital forensics to identify the first person who has contracted a disease and learn how open source intelligence can lead to finding out more information about this person.
- Media Mogul – Look into how creative design, arts and technology work together. Take a closer view on how the media industry and advertising combine these elements while having the chance in teams to create your own advert sequence using stop motion.
